

# HARVESTING OPPORTUNITY

## Los Ranchos at a Turning Point

### **A small change. A lasting impact.**

A 'Yes' on LEDA LOGRT means preservation of local culture, stronger local businesses, and smart investment right here at home.

### **Local growth, local control.**

Every dollar stays in Los Ranchos, guided by your Village Trustees, used only for local improvements.

### **Big results, small cost.**

Just 1¢ for every \$4 spent will raise nearly \$500,000 each year for community projects.

### **Invest in what we love.**

Support Fourth Street shops. Strengthen our agricultural heritage. Celebrate our culture.

### **A vote for Los Ranchos' future.**

Together, we can grow opportunity without losing our Village character.

***Vote 'YES' for LEDA LOGRT and help the Village thrive for generations to come.***

1615 University Blvd. NE  
Albuquerque, NM 87102

***PLEASE VOTE IN THIS ELECTION***

***Early Voting: October 18 – November 1***

***Election Day: November 4***

## HOW CAN I HELP LOS RANCHOS HARVEST OPPORTUNITY?

### WHAT IS LEDA LOGRT?

#### Q: What is LEDA LOGRT?

**A:** It's a small local tax (1/4-cent on every \$1) that funds projects under the Local Economic Development Act—supporting local business, culture, and infrastructure.

#### Q: Why does Los Ranchos need this?

**A:** It gives the Village tools to invest in local businesses, improve infrastructure, and strengthen community spaces while keeping funds under local control.

#### Q: Has this been used elsewhere?

**A:** Yes, many New Mexico communities, including Clovis, Alamogordo, Portales, and Los Alamos, have used LEDA to grow their local economies.

### HOW IT WORKS

#### Q: How much is the tax?

**A:** 1¢ for every \$4 spent.

#### Q: How much money will it raise?

**A:** About \$485,000 per year, based on current business activity.

#### Q: Where does the money go?

**A:** Into a state-required special fund used only for economic development projects.

#### Q: Who decides how it's spent?

**A:** The Village's Board of Trustees through open and public meeting processes.

### WHAT IT FUNDS

#### Q: What kinds of projects will benefit?

**A:** Fourth Street upgrades, improvements to local farms, local small business support, and community anchors like the Agri-Nature Center or Del Norte Open Space.

*Paid for by the Associated General Contractors of New Mexico and is not authorized by any candidate or candidate's committee.*

#### Q: What happens if the money isn't used right away?

**A:** It stays in the special fund for future projects—it never reverts.

*Vote for investing in ourselves.*

*Vote for Harvesting Opportunity.*

*Vote 'Yes' on the LEDA LOGRT question in this election.*

*Early Voting: October 18 – November 1*
